ICED-TEA double amount

Certification of Authenticity

Through our journey to find nature's medicinal pathway to a preventive lifestyle, TARMtea was born. We are committed to create "Tarm" fresh, unique, handcrafted, and gourmet loose-leaf tea blends with the finest ingredients available. We use only the best organic teas full of flavor with potent flavanoids and rich antioxidants.

The Kojacks

According to the Tea Association of America, Tea is the most widely consumed beverage in the world next to water, and can be found in almost 80% of all U.S. households. It is the only beverage commonly served hot or iced, anytime, anywhere, for any occasion.

On any given day, over 158 million Americans are drinking tea.

Contact a TarmTeam representative today to learn more about a fun opportunity to partner with your school, organization, or event. If your looking to raise funds for your cause, don't miss this opportunity. We customize fun, profitable, highly successful programs, and provide exceptional customer service.
